Commissioner,

I will be having a meeting with SoC shortly on the Ottawa situation. I will loop back with you after the meeting. Generally speaking I agree with your recommended approach.

Thank you Fuad. This is a generic request that requires additional and specific operational information to action. From a process standpoint, would it be agreeable for the province to write back and indicate that the request for police resources has been forwarded to the OPP for further discussions with Ottawa Police?

Happy to discuss further – thanks,
Tom
